## GREETINGS TO ALL

### Investigate Report Man Posing As Officer

After a thorough check, the sheriff's office is about convinced there is nothing to a report that a man posing as an officer had set up road blocks on U. S. Highway 90 to collect "fines" from passing motorists.

Chief Deputy Sheriff Gerald Price Jr., said a careful check failed to substantiate names and addresses of four alleged "victims" of the reported road blocks.

Price said the report originated with a Gulfport man who told officers the persons had complained to him about being stopped on Highway 90 in Hancock County by a badge-wearing man who stretched a black rope across the roadway and then forced them to pay "fines."

The sheriff's office and special investigator Ford O'Neal of the Mississippi Highway Patrol subsequently sought to locate the "victims" at addresses in Mobile, Jackson and Meridian.

In each case, Price said, there was either no such address or officers could not locate any person by the names given. The fourth complaint, he said, allegedly involved a woman from California who was supposed to be visiting her son at Keesler Air Force Base. A search failed to locate the persons named, he said.

"We have about come to the conclusion it was a hoax," Price said. "Hoax or not, the chief deputy and Sheriff Gerald V. Price Sr., will continue to stand behind an offer of a \$200 reward to any person furnishing information which leads to the arrest and conviction of anyone impersonating an officer in Hancock County."

### IMPORTANT SOCIAL SECURITY INFORMATION

Jerome H. Drane, Social Security District manager, announced today that his office now has on hand copies of a printed explanation of Social Security Tax increase scheduled for January 1, 1963.

The explanation is available upon request to the Gulfport Social Security District office, and Drane said that a number of employers have already ordered copies to enclose with employee's pay checks at the first pay day in January.

Starting with that first pay in January, Drane said, the worker's Social Security deduction will be increased by one-half of one percent of the first \$4800 of annual wages. With this increase, the amount of the Social Security Tax will be 3 5/8 percent for an employee, with a matching amount contributed by the employer.

The Social Security law as originally enacted in 1935, called for a uniform tax rate of one percent for employee and employer on the first \$3000 of annual earnings.

The gradual increase until the rate of 3 percent was reached in 1949.

These tax rates, it was estimated, would be required to finance retirement benefits of \$10 to \$15 per month, the only type of benefits provided under the original law. But the scheduled increases were not permitted to go into effect and the tax rate did not rise to 1 1/2 percent until 1950.

Many improvements have been made in the original law, Drane said. Benefits have been added for dependents and survivors, workers and also for disabled workers and their families. Also, there have been increased severance pay benefits.

Under the new law, benefits to workers and their families range from \$40 to \$180 a month. A retired couple could collect as much as \$187.50 per month. Family payments range up to \$150 a month. The new law also provides for a two-year increase in the maximum tax rate from 3 percent to 6 percent in 1963.

### SPACE PROGRAM IN MISSISSIPPI TO BE OUTLINED

STATE COLLEGE, Miss., "Mississippi's Role in the Space Program," will be outlined to members of the Mississippi Seedsmen's Association January 13-15 at association's annual convention in Biloxi.

Navy Captain Bart J. Slattery, chief of information at the Marshall Space Center, Huntsville, Alabama, will discuss present and future plans for the state in the space program. He will speak at 11 a. m., Monday (January 14).

Also in keeping with the space theme of the convention, a scale model of the Telstar Communication Satellite will be on display, said Elbert Lott of Yazoo City, association president.

F. J. Lundy of the Southern Bell Telephone Company at Hattiesburg, will discuss the working of the Telstar and its implications in the "space age." He speaks Monday afternoon.

Other speakers and their topics include Dr. Harold Loden of Plainview, Texas, president of the Southern Seedsmen's Association, who will represent the southern group; W. T. Gilbert, president of Sawan Inc., at Columbus, discussing new regulations on ryegrass and Bermuda grass seed; Ellis Taylor of Plainview, Texas, "What's New in Grain and Forage Type Sorghums."

The Tuesday session will consist of committee reports, business and the election of officers. It will adjourn before noon.

Wives of members are especially welcome, Mr. Lott said. A special program has been arranged for the ladies.

Headquarters for the convention will be the Buena Vista Hotel.

One-half of one percent, so that beginning in 1968, an employed worker will be paying 4 5/8 percent of his annual earnings to fund his Social Security protection.

The difference between the originally planned top tax rate of 3 percent and the top 4 5/8 percent rate that will go into effect in 1968, will go partly to pay for the additional protection and higher benefits, Drane pointed out. It will also help make up for the money not collected because the tax increases scheduled for the 1940s were postponed.

Mr. Drane said that employers and the general public obtain printed copies of "an explanation of your Social Security contribution" by visiting, phoning, or writing the Social Security district office at 1022 32nd Avenue in Gulfport, Mississippi. The telephone number is UN-4-2022.

Employers may also wish to request copies of the new Social Security employee tax table for the convenience of their payroll offices.

### TWENTY-TWO JUNIOR ROCK GRIDSTERS RECEIVE LETTERS

Thursday night, Dec. 20, twenty-two St. Stanislaus Junior Varsity football players were awarded letters at a banquet held at the Broadview Restaurant in Bay St. Louis.

Junior Rock Coach "Buddy" Pitolo made the presentation after a few words from Athletic Director Brother Dacan S. C. and Head Football Coach "Billy" Murphy.

Letters were awarded to the following: Sheldon Nothacker, Larry Boudreaux, Charles Dufresne, John O'Hara, Conrad Tabony, Osmond Blaize, Mike Plunkett, John Genin, Joseph Hanson, Thomas Gwin, Whitney Corvin, Charles Tilton, Cricket Bradford, Walter Antin, Ray Chiniche, Charles Brown, Charles Boudreaux, David Vicknair, Monti Rhodes, Bill De laune and Tommy Jeansonne.

Also present were Mrs. William Murphy, Mrs. Anthony Pitolo, Mr. and Mrs. Joseph Plunkett, Mr. Whitney Corvin, Mrs. Charles Rhodes and Mrs. Ivan J. Bradford.

### RECEIVES BOOKS

Mrs. Leo Kenny, local resident and ardent newspaper reader who is greatly interested in educational topics, last week received a letter from The North American Newspaper Alliance, New York advising her she had been awarded a 24 volume of Colliers 1962 De Luxe World encyclopedia.

The books, which arrived two days prior to Christmas, were given Mrs. Kenny for sending in the most interesting and leading question to Dr. Benjamin Fine, a Pulitzer prize winning education editor of the North American Newspaper Alliance who writes a weekly column in the New Orleans States-Item.

Mrs. Kenny's prize-winning question was "Do you approve the gradeless plan which some elementary schools are adopting allowing pupils to advance at their own pace - what are the advantages and disadvantages?"

### Personals

Mr. and Mrs. Wallace Bontemps spent the Christmas holidays with their son-in-law and daughter, Dr. and Mrs. Lynwood Brasset and children in Baton Rouge.

Mr. and Mrs. Bontemps will have their son and daughter-in-law Mr. and Mrs. Barry Bontemps of Atlanta, Ga., as New Years guests.

Miss Azalie Margaret Favre, who is on the nursing staff at Hotel Dieu, returned to New Orleans Thursday after a visit over the holidays with her parents, Mr. and Mrs. Harold J. Favre and family.

SANTA CLAUS CAME TO TOWN — and what a wonderful time he had at the American Legion Annual Christmas party, when he distributed gifts to an estimated 2,000 or more children from all parts of Hancock County. In fact, one legionnaire stated that Santa ran completely out of toys and had to finish up with fruit and candy. This American Legion Christmas Tree party for the children of Hancock County is one of the nicest given at any time throughout the year for the children and we must admit that the Legionnaires who work to make this party a reality deserve a lot of credit. The party is for both white and colored. Payard photo.

### National Guard Recruiting Drive

WASHINGTON — The Army National Guard—wearing a "we'll show McNamara" ship on its shoulder, will open an aggressive recruiting drive in the new year.

Informed sources, disclosing this said they are confident the Guard can reach its goal of 400,000 men. It now is about 25,000 short.

They indicated the effort will be spurred by a desire to disprove Secretary of Defense Robert S. McNamara's skepticism that it can be done.

Earlier this year, McNamara sought to trim Army Guard and Reserve strength by 58,000 men on grounds it was not possible without lowering standards to recruit enough men to maintain the Guard at 400,000 and the Reserve at 300,000. Under his proposal, the Guard would have taken a 33,000-man cut and the Reserve a 25,000-man reduction.

Congress directed the Defense Department to make every effort to muster the higher strength without sacrificing quality. Since then the Army has boosted its standards for Guard and Reserve recruits, making it even tougher to reach the manpower objective. Knowledgeable officials said Guard recruiting would be helped if final agreement could be reached quickly between the Pentagon and state governors on a controversial streamlining of the Guard structure.

A chief feature of the Army-McNamara plan calls for reconstituting four low priority Guard infantry divisions into brigades with a quicker reaction capability in a national emergency.

The Army also wants to jettison a net of 336 obsolete company and detachment-size Guard units.

A parallel Reserve reorganization of roughly the same magnitude already is under way, with a March 31 deadline for completion.

A committee representing the governors has been trying to decide on when to seek a meeting with McNamara to discuss the Guard reorganization. Indications point to a meeting in early January.

#### PROSPECTIVE TEACHERS MAY TAKE NATIONAL TEACHER EXAMS

HATTIESBURG — Prospective teachers in this area will have an opportunity to take the National Teacher Examinations on February 16, 1963, according to Dr. Ralph S. Owings, Dean School of Education and Psychology at the University of Southern Mississippi who will supervise the administration of the tests.

Application blanks and Bulletins of Information describing registration procedures and containing representative test questions may be obtained from Box 24, Station A, Hattiesburg, or directly from the National Teacher Examinations, Educational Testing Service, Princeton, New Jersey. Applications must be mailed so as to be received at the Princeton Office not later than January 18, 1963.

Scores on the National Teacher Examinations are used by a large number of school systems and teacher education institutions throughout the country as an aid in evaluating prospective teachers as are measured by the tests, Dr. Owings said. The scores may also be useful to examinees who are interested in discovering their own strengths and weaknesses with respect to such teacher qualifications as are measured by the tests, he added.

At the one-day testing session a candidate may take the Common Examinations which include tests in Professional Information, General Culture, English Expression, and Nonverbal Reasoning. In addition, each candidate may take one or two Optional Examinations which are designed to demonstrate mastery of subject matter in the fields in which the candidate is prepared.

## WELCOME NEW YEAR

Each new year is like a new-fallen snow — unmarked until errant footsteps destroy its gleaming splendor. But short-lived is that spell of peace and perfection. Soon the newness is trampled out, the same old trails show themselves again. Tearing the last page off the calendar can change the year. But, it cannot change the MAN. We'll make of each new year just what we have made of the old ones — unless we direct our lives anew toward God and neighbor, unless we re-evaluate destiny and self.

In this New Year don't expect a blanket of perfection to hide the old failures. But seek the better Way. The Church helps men discover new trails . . . and follow them with new hope . . . to a new vision of life.

### THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
